

DISCLOSURE LOG Insurance and Care NSW (icare)

This disclosure log is prepared in accordance with section 25 of the Government Information (Public Access) Act 2009.

The disclosure log publishes details of information released in response to access applications that icare considers may be of interest to other members of the public. The purpose of this log is to record the following information about each access application:

- the date the application was decided
- a description of the information to which access was provided in response to the application
- a statement as to whether the agency intends to make the information available to other members of the public and, if so, how it can be accessed.

To access any information previously released, please contact gipa@icare.nsw.gov.au. To request new information please send in a request form which can be found on our website:
